About us...

Integrated Services for every Sector

Cobra Sentinal (P) Ltd. offers a multifaceted portfolio of services, operating in diverse business domains globally.

Our core business capabilities are Manned Security Services, Integrated Facilities Management, Surveillance Solutions, Safety & Security and we are one of the fastest growing market leaders in security and facility management solutions.

The foundation of the Group was laid in 2000, with a vision to set an Industry benchmark by introducing an Integrated Service Portfolio provider. We attempt to challenge the status quo in the industry by continuously raising the bar in quality and customer experience.

We are currently a 1,500+ people team, led by highly professional and experienced officers from diverse backgrounds – including ex-Army/BSF/Para Military services personnel. Our real strength is the diversity in knowledge & work experience in security, logistics, administration & training.

We currently have strong presence in the states of Jharkhand, Gujarat, Bihar, Uttar Pradesh, West Bengal and NCR

We only work for our customers!! We're passionate about helping our customers focus on their core business domain by swiftly introducing or transitioning, optimizing & integrating the end-to-end Security and Facilities Management operations life cycles. We have matured processes that allow us to seamlessly transition or kick start services in a very short time frame. We practice "Continuous Improvement" which has been possible only with the support and feedback from our valuable customers!!

Our

Our Vision

Providing our customers the most compelling Security & Facilities management experience possible, so that our customers can focus on excelling in their core business.

We fervently believe in providing unsurpassed service to our clients and setting an Industry benchmark by being a Global Integrated Services Portfolio provider. We attempt to challenge the status quo in the industry by continuously raising the bar in quality and customer experience.

We don't settle for anything less than excellence in every group in the company, and irrespective of the jobs, positions and titles our values are so embedded in every person that we will perform exceptionally well.

Our Mission

We only work for our customers – period!!

We're intensely passionate about helping our customers focus on their core business by swiftly introducing or transitioning, optimizing & integrating the end-to-end Security and Facilities Management operations life cycles. We have matured processes that allow us to seamlessly transition or kick start services in a very short time frame.

We practice "Continuous Improvement", and it is our integral to how we engage our customers on a daily basis. This has been possible only with the support and feedback from our valuable customers!!

Our Values

Our values unambiguously reflect who we are and what we stand for as a company.

Every person in our firm reflects our core values - Integrity, Courage (Doing the right thing), Team work, Respect (value our people), Quality (unsurpassed service) and Customer Commitment (building strong relationships)

Why Cobra?

We are here to make a difference

1

Experience

We have 15+ years of solid industry experience, and during this tenure we have matured our process and service models based on valuable client feedbacks and applying learnings and best practices from clients across different sectors, thereby making us true “Continuous Improvement” practitioners.

2

Processes

We have an intense 21 days mandatory training for every new employee. We take our Customers’ Feedbacks very seriously and swiftly implement any improvements we can identify around the wider enterprise.

We practice “Continuous Improvement” in all our engagements and hold Daily Scrums at all levels in the organization to ensure seamless exchange of incidents, improvement ideas, learnings, suggestions, innovations across the organization. We regularly organize staff brainstorming sessions and experience sharing opportunities so that we grow at the fastest pace and become smartest through the firm’s “Collective Intelligence”.

3

Tailored Solutions

We take the time to understand your needs & environment. We also perform a full risk & dependency assessment to ensure that our servicing officers will tailor our services to your requirements. We implement stringent training for our entire workforce over and above the average.

4

Responsiveness

We ensure high responsiveness on the ground at all times for all our services. Our stationed officers and on the move officers are seamlessly connected and any feedbacks or requests from meetings are addressed before the Close of Business on the same day.

Cost

We are committed to providing exceptional services by delivering customized, high quality and cost efficient solutions to meet the need of our clients. We strive to exceed the requests of our clients by going above and beyond what is asked requirements.

We are an independent consultancy not tied to any other businesses, this means that the advice we give you is unbiased, objective and impartial. After reviewing your needs, we make recommendations that are right for your business and within your budget.

5

Projects Schedules

We maintain maximum 2 weeks SLA of implementing a Greenfield services as well as transitioning existing services across all our engagements.

6
